Is payment to an individual for a service?  Yes  ☐ No
Is payment on a valid SSN or ITIN for this service?  Yes  ☐ No
Is the individual a US Citizen?  Yes  ☐ No

For tax purposes, a worker is either an EMPLOYEE or an INDEPENDENT CONTRACTOR. This site provides guidance to help you determine the most appropriate way to pay. See http://www.uiowa.edu/hr/payroll/contractors.html.

I have reviewed the documentation on employees and independent contractors and determined that the payee is an independent contractor.

Is the payment over $5,900 or part of an ongoing service by this individual for a total of $5,000 or more in the calendar year?  Yes  ☐ No
You will be prompted a series of questions and depending on the answer you will be directed automatically to the correct form to complete, either an Non-Services eVoucher, Services eVoucher or PReq.
