

Expense transfers involving salary and fringe from one account to another should generally be handled through an HR Change of Status (COS) transaction. This will update both the HR records pertaining to any employee and will generate the correction of payroll records for monthly employees (not biweekly), to be completed by the Payroll Department.

Transfers are not allowed for prior year appropriated funds - 050,060,190,210,220,223,224,228,229,230,231,232,233,234,235,236,237,238,239

Use this form if:

- expenses are not being moved to a sponsored project account (funds 500 or 510)
- employee has a biweekly appointment - or - employee has a monthly appointment and an HR COS is not appropriate
- salary/fringe transfers are > 90 days after the effective date of the original transaction and an HR COS is not appropriate
- the necessary transfer is an exception that cannot be handled through an HRCOS
