Iowa Summer Music Camps
Organ Camp
Scholarship Opportunities
(Available only to organ camp students)

There are a limited number of merit scholarships available to students enrolling in Organ Camp. To be considered for these scholarships, which range from $25- $500, you must have your organ teacher, piano teacher, or choir teacher email a recommendation to Dr. Hand (gregory-hand@uiowa.edu). This recommendation should address your achievements in music and your future potential. These scholarships are granted on a rolling basis, and the recommendation letter must be received by Dr. Hand by May 1, 2020 to receive full consideration. You will be notified in 1 week of the amount of scholarship, at which time you should sign up for the camp.
