Welcome

Welcome to the University of Iowa and to Catlett, Daum, Currier and Stanley Residence Halls. The university is pleased to make its adult housing facilities available to individuals who are enrolled in summer camp/conference programs and are mature enough to live independently on campus with limited staff supervision. Because the University Housing & Dining system is not designed to provide custodial supervision for persons under the age of 18, parents are advised to enroll their youth campers/attendees in a summer program only if they believe their camper is mature enough to live responsibly in an environment where building access is not restricted to residents only and where residents are free to come and go as they please within the residence halls during certain hours of the day and evening. Our staff is always available to answer any questions you may have. In order to make full use of the facilities and services in the halls, please refer to the information in this guidebook.

The Bongo App is a free GPS-based, real-time passenger information system that allows riders to find current bus locations and predictions for upcoming bus arrivals. Each Cambus, Iowa City and Coralville transit bus is equipped with a GPS tracking system that reports latitude and longitude to a satellite every 15 seconds. The satellite transfers the information to a data center which locates the bus on a map and calculates the predicted arrival times for every stop on the route.
COMPUTERS/ COMPUTER LABS (ITCS)
Currier has a computer classroom (accessible through the Currier first floor) which is open for conference guests June 9 through July 25, Sunday through Thursday from 7:00 p.m. to 10:30 p.m. An ITC monitor will not be provided during these open times. Camp and conference attendees should be accompanied by camp staff when working in the ITC. Conference Guests: see your conference sponsor for a HAWKID to access computers and to obtain log-in/printing privileges. Youth conferences/camps and short-term adult conferences (staying less than 4 weeks) will NOT have internet connectivity in their individual rooms for summer, nor will they have access to UI wireless internet on campus. For information on free guest wireless services, see Wi-Fi Service section, page 6.

CONSTRUCTION
University Housing & Dining is working on several major construction projects this summer. All of these construction projects may cause inconveniences (dust, noise, etc.) and could possibly cause disturbances in some rooms, hallways, and lobbies. We will do our best to notify you in advance when construction affecting your room will be taking place.

Currier second floor (only) is off-line for new finishes and closets in student rooms. The Currier MPR and outdoor front sidewalk will not be accessible for 2-4 weeks (no date set) due to post-construction maintenance. An elevator project will take place in Daum, Currier and Stanley. When applicable, one elevator will be available. Daum will receive new carpet in several basement locations. The lower SW entrance to Stanley will be renovated, as well as indoor construction to that area and hallway link and an updated elevator lobby (first floor only). Burge and Burge Market Place will be completely off-line to summer guests; however, there will be limited building access for Student Disability Services and building staff.

Asbestos abatement will be taking place in a small area of Burge and the Daum basement during summer. The university uses state-licensed professionals and has trained staff to oversee the work. The removal of asbestos poses no threat to camp or conference participants.

CUSTODIAL SERVICE
The custodial care of your room such as trash removal or towel service will depend upon the arrangements made by your conference. If towels are provided in your room, please be aware that sets are provided for both you and your roommate. Sheets and towels are distributed to your room based on provisions selected by your conference sponsor. Requests for additional sheets and towels may not be fulfilled.

DAMAGE POLICY
Conferences/camps will be responsible for the cost of repairs for any room damages or theft that occur during the time of occupancy, as well as for any public space damage that is caused by a particular group.

### Additional Rules

**ALCOHOL**
The University of Iowa residence halls are substance-free environments. Consumption, possession, distribution or sale of alcoholic beverages is prohibited in all residence halls regardless of age. Any alcohol found in the halls will be destroyed and disciplinary sanctions imposed. Persons found in a room where alcohol is being consumed are subject to disciplinary action whether or not they were drinking. The presence of full or empty alcoholic beverage containers is prohibited, including containers used as decoration.

**BED CHECKS**
All youth campers and live-in staff/counselors must follow the bed-check/curfew policies established by their particular camp/conference.

**COMMERCIAL ACTIVITIES**
Commercial activity in the residence halls is prohibited. Food delivery companies may deliver food and non-alcoholic beverage items provided the buyer initiates the order. If you should encounter persons conducting door-to-door sales or solicitation, immediately contact a counselor or the building desk.

**ELEVATORS**
Passenger elevators located within the residence halls are provided for use by residents/guests/staff of that building. Damage and vandalism of the elevators, use of emergency alarms/stops in situations other than an emergency, unauthorized use of an elevator key and evacuating people from the elevator without trained personnel are all prohibited.

**ELIGIBILITY FOR SUMMER HOUSING**
Registered sex offenders are not eligible for UI summer camp and conference housing. If the university becomes aware that a guest or live-in staff member is a registered sex offender or has a record of criminal conviction(s) or other actions indicating behavior that could pose a risk to person or property and/or could be injurious or disruptive to the residence hall community, UH&D may not accept that request for housing (pre-arrival), or may immediately terminate housing for said individual (after arrival).
GUESTS/VISITATION
Summer residents are responsible for the behavior of their guests. Guests are not permitted to stay overnight. Individual camps may have additional guest/visitation policies.

HOVER BOARDS
Due to fire concerns surrounding hover boards, UH&D prohibits the possession or use of hover boards in all residence halls, apartments and dining areas.

PETS
Pets are prohibited from entering the residence halls at all times, even on a “visiting” or “temporary” basis. Accommodations may be made for service animals with advance notice and proper documentation.

ROOM/DOOR DECORATIONS
Decorations may not obstruct doorways, corridors, stairways or any other means of exit. Lighting fixtures or firefighting equipment including sprinkler piping should not be decorated. Decorations attached to or suspended from the ceiling are prohibited. Candles (lit or unlit) or other open flames are prohibited. Flammable and combustible materials on room doors must be kept to a minimum (no more than 25% of door may be covered).

The camp/conference sponsor and the building desk must approve any room change before it is made. If room changes are allowed, they are oftentimes completed during specified times.

SMOKING/TOBACCO USE
Smoking is prohibited on the University of Iowa campus, both indoors and outdoors. The use of tobacco, including smokeless tobacco products, legal smoking products and vaporizers (“vapes”) is prohibited in campus buildings including all residence halls. Counselors/live-in staff members over 18 years of age may possess and are allowed to store tobacco and legal smoking products in their rooms but may not use them in the halls. Unauthorized photographs or video of a person in a locker room, restroom, or bedroom are examples of conduct which violates this rule.

VIOLATIVE CONDUCT
Residents/counselors/staff are responsible for caring for their personal health, including their physical and mental well-being. When a severe act of self-destructive behavior or an apparent threat of serious harm occurs, the university reserves the right to notify the appropriate emergency contact for the individual.
WINDOWS AND SCREENS
Due to the potential danger to lives and property and out of consideration for the rights and privacy of others, the following regulations must be observed by all residents regardless of age:

1. Screens are not to be unhooked or removed from windows for any reason. A fee will be assessed for re-hanging screens, as well as additional fees if the screen is damaged.
2. Residents of a room or building are responsible for any objects ejected from windows, fire escapes, or roofs, and are subject to disciplinary action.
3. Windows are not to be used for entrances or exits, except in the case of life-threatening emergencies.
4. Windows should remain closed and locked during periods of high winds and/or heavy rains.

Emergency Procedures

GENERAL EMERGENCIES
If any emergency arises, help may be summoned by dialing 911.

TORNADO/SEVERE WEATHER
In the event that a tornado is sighted in or around the Iowa City area, the Severe Weather System whistle will sound a steady three to five minute signal indicating a tornado warning. In addition, a campus outdoor alarm will sound for three minutes. In all residence halls, an indoor message will be aired through the alarm system alerting residents of the warning. The message will play for two to five minutes and will only replay if there is a change to the warning. All residents should immediately relocate to a refuge area, designated as interior corridors on lower levels or basements of all buildings. An “all clear” message will be aired when the tornado warning has expired. Please do not think when the alarms have timed out that the warning has expired. Residents should seek shelter until the all clear has sounded.

FIRE
In the event of a fire in a residence hall, use the nearest pull station and evacuate the building immediately. If you hear the alarm sound, evacuate the building immediately. Do not use the elevators.

SECURITY
Please lock your door at all times. Report any thefts to University Police, 319-335-5022.
